

The Ultimate Guide: WHISTLEBLOWER 101

Laws, Protections & Rewards

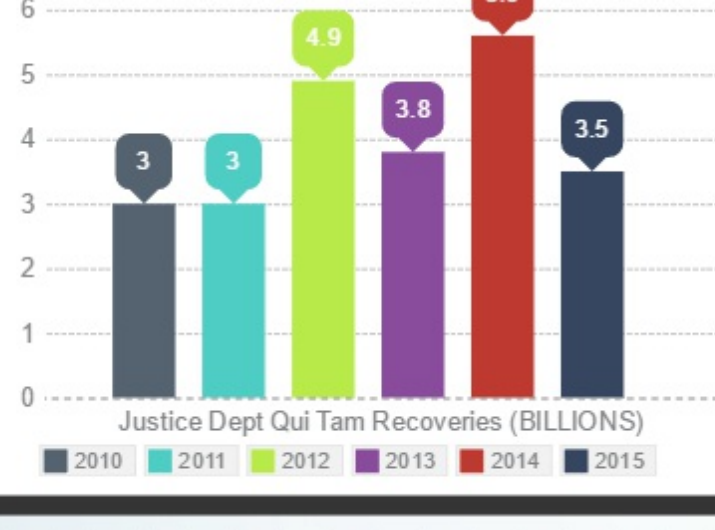

www.louthianlaw.com/whistleblower-case/

Fraud against the government costs taxpayers millions of dollars every year. To encourage informants to reveal what they know about fraud against the government, the law not only provides protection for whistleblowers, but they can get a cut of the substantial recoveries and penalties.

65% of employees who observed wrongdoing reported it.

More than \$20 Billion Recovered in 5 Years.

Defense Contractor Fraud

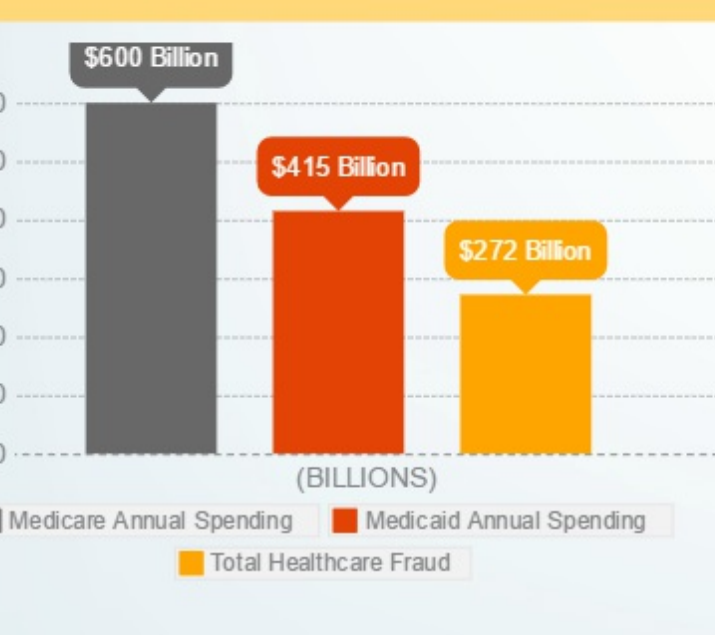

\$8.5 Trillion Unaccounted for since 1996 in defense spending.

U.S. soldiers on the ground were actually outnumbered by Pentagon-hired contractors at certain times: by 2008, we had 152,275 troops in Iraq—and 155,826 private contractors.
